

Los Alamos National Laboratory — Supplemental Instructions

Section: 23 Environment and Occupational Safety

Subject: 23.2 Hazardous, Controlled, and Special Materials

PROCEDURES:{PRIVATE }

**Subcontract
Clauses**

All subcontracts for hazardous, controlled, or special material must include the *Hazardous Material Identification and Material Safety Data* clause (FAR 52.223-3). Subcontractors should be directed to mail one copy of each Material Safety Data Sheet to the following address:

Field Services Section
Industrial Hygiene and Safety Group
Los Alamos National Laboratory
P. O. Box 1663
Mail Stop K494
Los Alamos, New Mexico 87545

Radioactive Materials — The following statement should be included in all subcontracts for radioactive materials:

"The University of California is a prime contractor to the U.S. Department of Energy under Government Contract W-7405-ENG-36. The Los Alamos National Laboratory is, therefore, exempt from 10 CFR 30.12. No license is required for the transfer of by-product material."
